About Us

We help brands bring their communication vision to life

SBA Studios is an evolving production house specializing in product & food photography, product videography, 360 degrees photography and stop motion. We believe in changing the game, turning ambitious ideas into tangible brand solutions.

We are Kenyan photographers with experience not only in food and product photography but also in branding, advertising and marketing, that is why we are passionate about brands and how we can help them tell their stories through stunning visual Imagery. We are creatives at heart so we are always exploring, learning and seeking to get better at our craft. We help you think of the best possibilities that take your images to the next level. If you are looking for a food and product photography studio that can help you create solid creative commercial imagery and visual assets for your brand then you have come to the right place.

Hi!

I'm Lydia Wahito, co-founder and creative at SBA Studios, a Nairobi-based commercial food and product photography studio. I found my calling in capturing the artistry of food and products. Photography & now video, is a form of self-expression and a way to share my perspective with the world.

SBA Studios is the realization of our shared vision, where creativity and passion come together to create awe-inspiring visuals. Our portfolio is a testament to our unwavering pursuit of excellence, and we are excited to share our creative journey with you. Love our work? Let's create something extraordinary together!

Visit our website at <https://shotbyalama.co.ke/> to explore more of our work.
